NCCC Veterinary Technology

FALL 2018 Program Application

Personal Essay Guidelines

A typed, 1-2 page, double-spaced essay is required as part of your application. **Hand-written essays will not be considered.**

Applicants are strongly encouraged to carefully proofread, and grammar / spell check their written work.

This personal essay should state the applicant's goals and reasons for entering the Veterinary Technology program, document past experience with animal care and/or veterinary medicine and describe the recommended job shadowing.

Please sign and date your essay before submission.
