

# NORTHWESTERN CONNECTICUT COMMUNITY COLLEGE

## **COURSE SYLLABUS**

**Course Title:** Clinical Laboratory Procedures

**Course #:** MED\* 245

**Course Description:**

This course provides an introduction to clinical laboratory procedures and equipment. The course focuses on medical and surgical asepsis, sterilization techniques, basic diagnostic ambulatory tests, evaluations, treatments and nutrition. Theory and practice of the clinical skills used by medical assistants to perform various diagnostic tests including specimen collection, hematology, blood chemistry, routine urinalysis, and electrocardiograms are emphasized. Students are required to purchase a lab coat or scrubs to be worn in class. A physical examination and proof of immunization is also required. 4 Credit Hours

**Pre-requisite:**

Eligible for English 101, MED\* 125 and MED\* 133

**Goals:**

- To prepare competent entry-level medical assistants in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.
- To develop the clinical laboratory competencies necessary to be a competent medical assistant.
- To examine the roles and responsibilities of a clinical medical assistant in healthcare.
- To apply logical, critical and analytical processes in identifying problems, alternative solutions and making informed decisions related to the clinical healthcare environment
- To analyze, research and apply disease prevention and treatment information
- To develop verbal and nonverbal communication skills necessary in the healthcare setting
- To promote a positive image as a Medical Assistant

**Outcomes:**

With the satisfactory completion of this course, the student will be able to perform entry level competencies as a Medical Assistant. This course includes the following cognitive competencies (taken from the 2015 Standards and Guidelines for the Medical Assisting Educational Programs):

I.C.10 Identify CLIA waived tests associated with common diseases

I.C.12 Identify quality assurance practices in healthcare

I.C.13 List principles and steps of professional/provider CPR

IV.C.1 Describe dietary nutrients including: carbohydrates, fat, protein, minerals, electrolytes, vitamins, fiber, and water

IV.C.2 Define the function of dietary supplements

IV.C.3 Identify the special dietary needs for: weight control, diabetes, cardiovascular disease, hypertension, cancer, lactose sensitivity, gluten-free, and food allergies

This course also includes the following psychomotor and affective competencies (taken from the 2015 *Standards and Guidelines for the Medical Assisting Educational Programs*):

- I.P.2 Perform: EKG, venipuncture, capillary puncture, pulmonary function testing
- I.P.8 Instruct and prepare a patient for a procedure or a treatment
- I.P.10 Perform a quality control measure
- I.P.11 Obtain specimens and perform: CLIA waived hematology, CLIA waived chemistry, CLIA waived U/A, CLIA waived immunology test, CLIA waived microbiology test
- I.A.2 Incorporate critical thinking skills when performing patient care
- I.A.3 Show awareness of a patient's concerns related to the procedure being performed
- II.P.2 Differentiate between normal and abnormal test results
- II.P.3 Maintain lab test results using flow sheets
- III.P.4 Prepare items for autoclaving
- III.P.5 Perform sterilization procedures
- III.P.6 Prepare a sterile field
- III.P.7 Perform within a sterile field
- III.P.8 Perform wound care
- III. P 9 Perform dressing change
- III.P.10 Demonstrate proper disposal of biohazardous material: sharps and regulated wastes
- IV.P.1 Instruct a patient according to patient's special dietary needs
- IV.A.1 Show awareness of patient's concerns regarding a dietary change
- V.A.4 Explain to a patient the rationale for performance of a procedure
- XII.A.1 Recognize the physical and emotional effects on persons involved in an emergency situation
- XII.A.2 Demonstrate self-awareness in responding to an emergency situation

### **Types of Assessments meeting Core Competencies**

- Demonstration of skills/competencies
- Online interactive adaptive activities using McGraw Hill LearnSmart
- Online interactive McGraw Hill ActivSim skill & patient interaction simulations
- Online Quizzes and Discussion Board
- Unit tests, Midterm and Final exams

Practical Final: A "live" comprehensive simulation to pull it all together. The final practical will include the Cognitive, Psychomotor and Affective content covered in this course. A non-student patient volunteer will role play various common scenarios with the student. The student brings the patient from the waiting room through the intake process, performs vital signs, measurements, and diagnostic testing to include urinalysis, ekg and/or capillary puncture with CLIA waived testing, and correctly documents findings.

**"Students must pass ALL (100%) of the psychomotor and affective domain competencies taught in this course prior to the date of the final exam. These competencies must EACH INDIVIDUALLY be passed with a grade of 80% or better in order to pass the course, complete the program and graduate. If this standard is not met the student will not pass the course and will have to repeat the entire course to graduate." CAAHEP accreditation**

**requires 100% of all Medical Assisting graduates pass 100% of all competencies.**

**MEDICAL ASSISTING STUDENTS - 74% is an estimated figure which is considered a minimum level of achievement. Any student who receives a final grade score below 74% WILL NOT PASS the course. Failure to receive a grade of 'C' or better will necessitate this course being repeated and passed successfully.**

### **College Policies**

**Plagiarism:** Plagiarism and Academic Dishonesty are not tolerated at Northwestern Connecticut Community College. Violators of this policy will be subject to sanctions ranging from failure of the assignment (receiving a zero), failing the course, being removed/expelled from the program and/or the College. Please refer to your "Student Handbook" under "Policy on Student Rights," the Section entitled "Student Discipline," or the College catalog for additional information.

**Americans with Disabilities Act (ADA):** The College will make reasonable accommodations for persons with documented learning, physical, or psychiatric disabilities. Students should notify Dr. Christine Woodcock, the Counselor for Students with Disabilities. She is located at Green Woods Hall, in the Center for Student Development. Her phone number is 860-738-6318 and her email is [cwoodcock@nwcc.edu](mailto:cwoodcock@nwcc.edu).

**School Cancellations:** If snowy or icy driving conditions cause the postponement or cancellation of classes, announcements will be made on local radio and television stations and posted on the College's website at [www.nwcc.edu](http://www.nwcc.edu). Students may also call the College directly at **(860) 738-6464** to hear a recorded message concerning any inclement weather closings. Students are urged to exercise their own judgment if road conditions in their localities are hazardous.

**Use of Electronic Devices:** Some course content as presented in Blackboard Learn is not fully supported on mobile devices at this time. While mobile devices provide convenient access to check in and read information about your courses, they should not be used to perform work such as taking tests, quizzes, completing assignments, or submitting substantive discussion posts.

**Sexual Assault and Intimate Partner Violence Resource Team:** NCCC is committed to creating a community that is safe and supportive of people of all gender and sexual identities. This pertains to the entire campus community, whether on ground or virtual, students, faculty, or staff. Sexual assault and intimate partner violence is an affront to our national conscience, and one we cannot ignore. It is our hope that no one within our campus community will become a victim of these crimes. However, if it occurs, NCCC has created the SART Team - Sexual Assault and Intimate Partner Violence Resource Team - to meet the victim's needs.

SART is a campus and community based team that is fully trained to provide trauma-informed compassionate service and referrals for comprehensive care. The team works in partnership with The Susan B. Anthony Project to extend services 24 hours a day, 7 days a week throughout the year.

The NCCC team members are:

Ruth Gonzalez, Ph.D.	860-738-6315	Green Woods Hall Room 207
Susan Berg	860-738-6342	Green Woods Hall Room 223
Kathleen Chapman	860-738-6344	Green Woods Hall Room 110
Michael Emanuel	860-738-6389	Founders Hall Annex Room 308
Seth Kershner	860-738-6481	Library
Jane O'Grady	860-738-6393	Founders Hall Annex Room 212
Robin Orlomoski	860-738-6416	Business Office Room 201
Patricia Bouffard, Ex-Officio	860-738-6319	Founders Hall Room 103
Savannah Schmitt		Student Representative

At NCCC we care about our students, staff and faculty and their well-being. It is our intention to facilitate the resources needed to help achieve both physical and emotional health.
