Are you planning to graduate?

Graduation is NOT an automatic process – you must apply to graduate (whether you plan to attend the ceremony or not). You need to meet with your advisor to have them fill out and sign a graduation plan. You should then bring the signed graduation plan along with your completed graduation application to the Registrar’s office in Green Woods Hall.

Graduation applications are available at the Registrar's Office or online at https://www.nwcc.edu/assets/uploads/files/forms/GRADUATION_APP_2018.pdf

The graduation application deadline is Thursday March 29th.

Withdrawal Deadline

In order to withdraw from a class, you must complete a Withdrawal form and submit it to the Registrar’s office or withdraw online in myCommNet by 4:30pm on Tuesday April 3rd.

Check out Degree Works in myCommNet!

Degree Works is a web based tool that can help you monitor your progress towards degree completion and help you plan course sequences. Degree Works shows you what course requirements you have completed and which requirements are still needed.

For more information on Degree Works: https://www.nwcc.edu/services/degreeworks/
Northwestern Connecticut Community College has a number of scholarship opportunities available for new, continuing and graduating students. NCCC scholarships are awarded to students based on academic merit, demonstrated financial need and/or enrollment in a specific academic program at NCCC.

- Prospective and current students are encouraged to apply for these scholarships through a competitive application process.
- Applications are reviewed and recipients are selected by the NCCC Scholarship Committee.
- Scholarship awards range from $200 up to approximately $4,000.

For more information regarding scholarships, please contact the Financial Aid Office at 860.738.6326. or apply online at: https://www.nwcc.edu/financial-aid/scholarship/
Lost & Found services are maintained at the information center (FH104 and Student Activities GW110).

If you have lost an item while on campus, please check with Darlene at the information center 860-738-6300 or Andrew in Student Activities 860-738-6344.

Energy Assistance

Those who meet certain income-eligibility and geographic requirements may obtain help with their energy costs from one or more of the Energy Assistance programs administered by New Opportunities Inc. The organization’s Energy Division offers both financial aid and, where needed, support in the form of Weatherization.

Each request for aid is handled individually and, initially, face-to-face. A person’s application is reviewed by a skilled staff member who is familiar with the variety of programs available. This intake interviewer is specially trained to assess how best to help a qualified applicant meet their energy needs in the most cost-effective way.

Apply now at NCCC’s Goulet building or get started by contacting Erin Kennedy, SNAP Scholarship Coordinator: EKennedy@NWCC.EDU or 860.738.6419
