Mission Statement

The mission of Northwestern Connecticut Community College is to inspire learning through accessible, high quality education. NCCC is devoted to enriching lives by meeting individual and community needs in a supportive environment, while facilitating access to lifelong learning opportunities.

Basic Needs Security:

NCCC has several resources to support students who may have difficulty with living expenses including; accessing sufficient food to eat every day, and/or having a safe and stable place to live. We recognize that personal life challenges can negatively affect classroom performance so we have available several assistance options. For students who may have food insecurities, we offer Food for Thought, NCCC’s student food pantry, which is located in Founders Hall Annex 3rd floor. The hours are posted on our [Food for Thought](#) website, located under the Student Services tab of the [NCCC homepage](#). There is also a once per month community [Mobile Food Pantry](#) available to students.

The NCCC Student Emergency Fund is another option that can help students financially to manage crisis situations. To apply for student emergency funding, please contact Ruth Gonzalez, Director of Student Services at rgonzalez@nwcc.edu to fill out an application. If you need assistance with finding a safe and stable place to live or are struggling with an addiction, please contact our [Center for Student Development](#) (CSD) for a list of community resources. CSD is located on the second floor of Greenwoods Hall.

STUDENT ACTIVITIES OFFICE:

Located on the lower level of Green Woods Hall (GW 110). This office promotes student-sponsored educational, cultural, social and recreational programs through clubs and the Student Senate. Information regarding student events as well as inquiries about clubs and organizations can be obtained here. The Student Senate works closely with this office in the budgeting of the Student Activity Fund.

STUDENT CLUBS

Sexual Assault and Intimate Partner Violence Resource Team: (SART) NCCC is committed to creating a community that is safe and supportive of people of all gender and sexual identities. This pertains to the entire campus community, whether on ground or virtual, students, faculty, or staff. Sexual assault and intimate partner violence is an affront to our national conscience, and one we cannot ignore. It is our hope that no one within our campus community will become a victim of these crimes. However, if it occurs, NCCC has created the SART Team – Sexual Assault and Intimate Partner Violence Resource Team – to meet the victim’s needs. All services are free and confidential. SART is a campus and community based team that is fully trained to provide trauma-informed compassionate service and referrals for comprehensive care. The team works in partnership with The Susan B. Anthony Project to extend services 24 hours a day, 7 days a week throughout the year.

The CARE Team assists students who have been identified by student/staff/faculty as experiencing psychological and/or emotional concerns. This interdepartmental team connects students with the appropriate services and monitors their progress in an effort to ensure their general well-being, academic success and progress, and in order to maintain a healthier and safer college.

The mission of the CARE Team is to: Assist in protecting the health, safety, and welfare of the students and members of the college community from student behaviors which are concerning, while balancing the educational needs of the student and the academic mission of the college. **Anyone can contact the SART & CARE Teams by contacting Dr. Ruth Gonzalez at 860-738-6315 or**

The College receives grant, loan and work-study funds from the State of Connecticut and the U.S. Department of Education to award to eligible students. Any student seeking a degree or eligible credit certificate program from the College is encouraged to apply. To apply for financial aid from NCCC you must complete the Free Application for Federal Student Aid (FAFSA). You will need to visit FAFSA on the Web at www.fafsa.ed.gov for the application.

While there are various eligibility requirements for the grant, loan and work study programs, all matriculated students will be considered for a grant award to assist with the direct costs of college (tuition, fees, textbooks and supplies). These grant awards may equal up to \$5,815 for eligible full time students attending the fall and spring semesters or an amount determined by the student’s demonstrated financial need, if that is less.

Note that all campus administered grants require bona fide residency in the state of Connecticut for twelve (12) months prior to attending NCCC.

The Financial Aid Office is a resource center for information regarding student financial aid programs, scholarships, and campus jobs. The office is located in GW 224. We are also on the Web at: <http://www.nwcc.edu> or e-mail at: NW-FinAid@nwcc.edu.

A number of employment opportunities are available to students. Students are employed by the college to work part time throughout the school year. All job applicants must apply for financial aid. Campus jobs are limited to financial aid recipients. Positions are available in college offices, the Library, Labs (science, computer, veterinary technology, graphics, photography) and Campus Maintenance.
