EEC Certified Teacher
Sunshine Preschool Program
Sunshine Preschool is seeking a year-round full-time EEC certified teacher for children ages two years and nine months to five years old. The teacher’s primary responsibility is to provide a developmentally appropriate, high quality early childhood experience for the children enrolled in Sunshine Preschool. The teacher must demonstrate advanced understanding of the growth and development of children and must use knowledge of the value of family engagement to support families and children. Ability to work with a team to meet the individual needs of the children is essential. Bilingual candidates and candidates pursuing EEC Teacher certification are encouraged to apply. EOE
