

Hudson Animal Hospital is seeking a Full-Time Veterinary Licensed Veterinary Technician to join our team!

We have an opening for a Licensed Veterinary Technician at Hudson Animal Hospital located in NYC, on the Upper West Side of Manhattan! Hudson Animal Hospital offers the opportunity to join a fun-loving, professional team with many opportunities for personal and professional growth. We are a growth-oriented, state-of-the-art practice with some of the **newest technology** for diagnostics, imaging, and cryotherapy. At Hudson Animal Hospital, we believe in growth and will provide you with opportunities for professional development! Our team is incredible and will give you the support and resources you need to perform at your highest level. We offer a competitive salary, great benefits, and a flexible schedule that allows you to maintain a great work-life balance and explore all that Manhattan has to offer!

Highlights:

- **Title:** Licensed Veterinary Technician
- **Employment Type:** Full-Time
- **Compensation:** \$24 -\$28/hr DOE
- Competitive benefits package including healthcare, 401K, pet care savings, TransitChek, paid 1-hour lunch, and more!
- Relocation Benefits Negotiable.

Who we are: Our practice takes a **relationship-based approach to practice medicine**. We deliver exceptional service through effective communication, client education, and sincerity of purpose. Our main core values are respect, accountability, teamwork, and customer service, and we always make sure to treat every client like family! We empower clients, allowing them to make informed choices and to participate in their pets' care.

Not only do we have a phenomenal culture, but we also **have state-of-the-art facilities** featuring a full laboratory suite, digital whole body & dental radiology, dental suite, ultrasound, cryotherapy, and a surgical suite with state-of-the-art anesthesia monitoring equipment. We also have an in-house cardiologist and internal medicine specialist that offer echocardiogram/abdominal ultrasound. We provide compassionate care to our patients every day, as well as a commitment to wellness and client education throughout the life of the pet.

Our ideal candidate: We are looking for a detail-oriented individual who will share the passion for our mission of providing exceptional veterinary medical care to our patients and the excellent service that our clients deserve. We are a family-owned, 3-doctor practice focusing on internal medicine, surgery, and preventative care. We offer clients advanced technology along with personalized care and education. We are family-oriented, our team truly cares for one another, and we believe in treating our patients and clients as a family too! Our goal is to practice the highest quality medicine and surgery with compassion and an emphasis on client education. We are extremely passionate about our profession. The entire Hudson Animal Hospital healthcare team is committed to providing personal attention to the unique concerns of each pet owner.

The Location: Hudson Animal Hospital is located on the Upper West Side of Manhattan in NYC, a couple of blocks from Central Park! We have incredible cuisine, shopping, museums, and entertainment (Broadway, for one) – cue “The City That Never Sleeps”. The Manhattan area has wonderful public and private schools to choose from and lots of options for transportation.

Health and Wellbeing: At Hudson Animal Hospital, we take the health and safety of our employees and clients seriously. You can rest assured we are committed to going the extra mile to keep everybody safe and healthy especially during COVID as an employee of Hudson Animal Hospital.

Interested candidates should submit their resumes in confidence to Shanan@DVMstaffing.com.
