Emotional Support When Students Need It

- Unlimited 24/7, on-demand triage mental health support, coaching services, and crisis management by behavioral and health professionals.
- Provides support for a variety of issues, including critical situations.
- Eliminates the possible days or weeks of wait time for a student to get emotional support.
- Removes possible stigma of a student walking into clinic seeking mental health resources.
- Helps manage demand for counseling center services with virtual visits.
- Patient records can be shared back to counseling center.
