Who we are: At Switzerland Animal Hospital, we have a friendly and family-oriented atmosphere! We treat each other and our patients as if we were family and take pride in providing exceptional medicine for our clients. We are currently a 2-doctor practice focusing on internal medicine, surgery, and preventative care. Our clientele is educated, loyal and compliant and many of them have been with us for over 30 years! We offer clients advanced technology along with personalized care and education. We are family-oriented, our team truly cares for one another, and we believe in treating our patients and clients as a family too! Not only do we have an amazing team-oriented and friendly environment, but we have **state-of-the-art technology** like LigaSure, CO2 laser, Companion laser therapy, cryosurgery system, in-house lab, and more!

Our ideal candidate: We are looking for a detail-oriented individual who will share the passion for our mission of providing exceptional veterinary medical care to our patients and the excellent service that our clients deserve. Our focus is on high-quality medicine and customer service, excellent communication, and continued mentoring with a team approach. Our goal is to practice the highest quality medicine with compassion and an emphasis on client education. We are extremely passionate about our profession. The entire Switzerland Animal Hospital healthcare team is committed to providing personal attention to the unique concerns of each pet owner.

The Location: Switzerland Animal Hospital is located in Saint Johns, Florida, a suburb of Jacksonville! St. Johns, FL has been rated one of the top regions in the country to live, work,

find a home, and raise a family. We have great public and private schools, are just a short drive to the beach, and have several museums and state parks to visit!

Health and Wellbeing: At Switzerland Animal Hospital, we take the health and safety of our employees and clients seriously. We have implemented various no-contact or socially distanced safety measures. You can rest assured we are committed to going the extra mile to keep everybody safe and healthy especially during COVID as an employee of Switzerland Animal Hospital.

Interested candidates should submit their resumes in confidence to Shanan@DVMstaffing.com.
