

## Distribution Technician I

Windsor, Connecticut

### About TRC

TRC Companies, Inc., a pioneer in groundbreaking scientific and engineering developments since the 1960's, is a national engineering and environmental consulting firm that provides integrated services to the energy, environmental and infrastructure markets. TRC serves a broad range of clients in industry and government, implementing complex projects from initial concept to delivery and operation.

We will consider candidates that reside in surrounding areas. This position will be working within our Power Distribution Engineering team and a part of our growing Power Sector.

### Job Description

Perform visual inspection of overhead and underground electrical distribution facilities and equipment to compile field data collection, minor work order preparation, and maintenance reports of distribution equipment. This entry-level position will pay \$18-20 per hour based on knowledge and experience.

### Overview of Duties

- Perform various field technical services for the operation, inspection, and maintenance of electrical distribution systems including system inventories and audits, joint use management and permitting, pad-mount inspections, ground-line pole inspections, metering and apparatus services, lighting audits, etc.
- Perform field data collection utilizing laptop computer, tablet device, GPS, and other electronic devices to collect data for input into database software as necessary.
- Develop a working knowledge of National Electrical Safety Code (NESC), electric utility construction standards, and telephone, cable, and other communication facilities.
- Operate necessary equipment to take measurements on utility poles and mid-span facilities, perform pole inspections, inspect, and perform maintenance on pad-mount equipment, etc.
- Follow Code of Safe Practices as outlined in the company safety policies.
- Perform other duties as assigned.

## Requirements

- Must be 21 years of age with a clear and valid driver's license
- High School Diploma
- No experience required
- No certifications required

TRC offers advancement potential and a competitive compensation and benefits package including a 401k plan with a company match.
