SUPPORTIVE HOUSING CASE MANAGER

We need client-centered, positive role models to support individuals in the community who experience homelessness, mental health and/or substance abuse challenges.

Send your resume to pwalsh@chd.org and apply online at www.chd.org
Caring, Compassionate, Committed:
If these three words describe you, then a career at CHD may be in your future.

CHD is expanding its services and needs client-centered, positive role models to support individuals in the community who experience homelessness, mental health and/or substance abuse challenges. We will train you extensively in our recovery and treatment approaches and provide you with a rewarding professional experience.

Our Supportive Housing Case Managers establish life changing relationships with our participants and provide opportunities to optimize their
- Independence
- Rehabilitation
- Recovery
Successful staff can also find opportunities within our large and diverse system of care for lateral and upward mobility.

REQUIREMENTS
Bachelor's Degree is preferred, but can be substituted for an abundance of heart and the ability to establish caring, meaningful relationships. Written and verbal communication skills are critical as is the ability to work with computers. All positions require a background screening including a CORI and motor vehicle record check, as well as a reliable vehicle for work use.

KNOWLEDGE, SKILLS, AND ABILITIES REQUIRED
- Ability to respond effectively to crisis
- Ability to develop and implement Treatment Plans
- Ability to follow schedule & organize job responsibilities with minimal supervision including the ability to work independently in the field
- Ability to advocate for consumers
- Good writing/verbal skills and basic computer skills including the willingness to learn agency specific computer programs
- Basic knowledge of housing issues (ie, housing law, tenant rights)
- Knowledge of substance abuse, mental health and recovery issues
- Ability to assist consumers with constructive time management skills.
